With Caitlin Stasey

You were always there
Why did they take you away
I was never scared
In your arms I felt invincible

Wanted you to see, the world beneath my feet
I wish that you could stay
I would tell you; you're unbelievable

And I want you to know
You're who I wanna be
And I'll sing with everything
I have inside of me
You're always in my heart
There's no letting go
You gotta know
You're unforgettable

They say I've got your eyes
Still it's so much to see
I couldn't even say goodbye
'Cause you were taken without
Even letting go
This crimson runs through my veins
It's your life
You're the energy

And I want you to know
You're who I wanna be
And I'll sing with everything
I have inside of me
You're always in my heart
There's no letting go
You gotta know

I just need to hear you speak
Hold onto my hand
There's nothing in between us
I know you're thinking of me

You'll be there when I reach

And I want you to know
You're who I wanna be
And I'll sing with everything
I have inside of me
You're always in my heart
There's no letting go
You gotta know
You gotta know

And I want you to know
You're who I wanna be
And I'll sing with everything
I have inside of me
You're always in my heart
There's no letting go
You gotta know
You're unforgettable
You're unforgettable
You're unforgettable
