

## Spacehead "Am I Someone"

Spiritual bankruptcy  
Total anonymity  
Hounded by what you expect of me

Designer drugs and MTV  
Makes me what I wanna be  
Tranquilized by inactivity

Am I living, Am I someone  
If Iâ€™m living, Then Iâ€™m outrun  
By someone

Blind me. I donâ€™t wanna see  
Other peopleâ€™s misery  
Itâ€™s verifies my insecurity

Barbie dolls and action men  
Wishing I was just like them  
A hero in my fake reality

Am I living, Am I someone  
If Iâ€™m living, Then Iâ€™m outrun  
By someone

I wish that I was special  
I wish I was a man  
Donâ€™t wanna be no spacehead  
I just hate the way I am

Am I living, Am I someone  
If Iâ€™m living, Then Iâ€™m outrun  
By someone
