I say the things I wanna say
I question you in curiosity
I speak the truth I wanna hear
Iâ€™m telling you no lies Iâ€™ve got no fear

I know that Iâ€™m not insane
But Iâ€™m living my life in shame
â€™Cos Iâ€™m lonely and Iâ€™m in pain
I just need to know that Iâ€™m for real and Iâ€™m alive

Thereâ€™s thousand things that I regret
Thereâ€™ll be a thousand more before Iâ€™m dead
Iâ€™ll whisper dirty things into your ear
Appreciate the fact that I am here

I know that Iâ€™m not insane
But Iâ€™m living my life in shame
â€™Cos Iâ€™m lonely and Iâ€™m in pain
I just need to know that Iâ€™m for real and Iâ€™m alive

I keep the promises I break
Denying that Iâ€™m a nervous wreck
Iâ€™m trying to be everything Iâ€™m not
Afraid of losing what I havenâ€™t got

I know that Iâ€™m not insane
But Iâ€™m living my life in shame
â€™Cos Iâ€™m lonely and Iâ€™m in pain
I just need to know that Iâ€™m for real and Iâ€™m alive
