Time is killing me when Iâ€™m in pain
And I find that Iâ€™m about to go insane

Foolish self misunderstanding
Makes me proud and too demanding

Â€™Cos timeÂ€…All I have is time
All Iâ€™ve got is bitter time

Oh my god what am I doing to myself
I never thought that I would be crying out for help

Blinded by my self-destruction
Leads me to the only option
That timeÂ€…All I have is time

Time is all I have

Now I am caught in my escape
And how can I forget the mistakes I made

Paralysed by broken visions
Leads me to the wrong decisions
Â€™Cos timeÂ€…All I have is time
