(Royston Langdon)

\*Mungo City is mentioned here in reference to the science-fiction film, Flash Gordon where the character Ming the Merciless ruled. Lucille Ball states about the film, "The set design looked like a nightmare you have after eating too much Chinese food."\*

Welcome to this empty ministry of plenty  
As I'm sure you know  
We're clearly on display here  
To remind you should you stray from here  
Or decide to roam

Dossers dream of gossamer  
And kissing with tongues  
Well, they're falling in love with anyone  
Races from all places through all from under one sun,  
Well it sure was no fun  
So I got up and ran, ran, ran from Mungo City

Mungo City- Where are you?  
You make us grey when skies are blue  
Mungo City, in the sky  
Keeps a watchful eye on you and I

Don't think you're even thinking  
Even though you're thinking: keep it underground  
They're sending out distress codes  
And playing with you're mind though  
You won't hear a sound

Nazis in the Japanese cars from Japan  
Well, they're falling in love if only they can  
I'm telling you the tribesman wouldn't stand for this,  
man  
Well, it sure was no scam  
So I got up and ran, ran, ran from Mungo City

Mungo City- Where are you?  
You make us grey when skies are blue  
Mungo City, in the sky

Keeps a weather eye on you tonight
