From the bottom of my heart, Dear
I love you
Even though you broke my heart
I still love you
What more can I say
Since you went away
I just couldn't hide my pride
Truly dear, oh how I cried

From the bottom of my heart, Dear
I miss you
I would give my very soul
Just to kiss you
Please come back to me
Hold me tenderly
Take me in your heart again
Be mine my love, forever

Dammi, dammi, dammi tanto amore
Fammi, fammi, fammi questo favore
Dolce come tu ? la giovent?
Primavera sei per me
Vieni su fammi saper
Dammi, dammi solo un p? di speranza
Un bacin da te per me ? bastanza
Ma se nel tuo cor' puoi trovar ancor
Un p? piu d'amor, amor,
Be mine, my love forever.
(From the bottom of my heart)
