So let me get my head straight
I think I'm gonna breakdown
You see I'm crazy and I don't know why

I don't know if it's ever
Ever gonna make sense
To close my eyes
And walk behind

Round and round we go
But we're getting nowhere
I can't be
All you need
Up and down we go
But I'm changing nothing
I can't be you

Been searching for a new face
It's something I don't wanna change
It's the one thing I can never hide

I gotta ticket for the next plane
And I'm standing on the runway
I cannot move
I still feel you

Round and round we go
But we're getting nowhere
I can't be
All you need
Up and down we go
But I'm changing nothing
I can't be you

I can't be you
Iâ€¦

Round and round we go
But we're getting nowhere
I can't be
All you need

Up and down we go
But I'm changing nothing
I can't be you

Round and round we go
But we're getting nowhere
I can't be
All you need
Up and down we go
But I'm changing nothing
I can't be you
