Babababoo

Babababoo

If I could sing like Bing

How happy I would be

Babababoo

If I could sing like Bing

Perhaps you'd go for me

Babababoo

Babababoo

Now everyone agrees

That Bing's fun to hear

And if I don't do quite as well just make believe he's
near

If I could sing like Bing

For ever more you'd hear

Babababoo, babababoo, babababoo

Babababoo, babababoo, babababoo

(If he could sing like Bing

How happy he'd be)

Babababoo, babababoo

(If he could sing like Bing

Perhaps you'd go for him)

Babababoo, babababoo

Now everyone agrees

That Bing's fun to hear

And if I don't do quite as well just make believe he's
near

(If he could sing like Bing)

For ever more you'd hear

Babababoo, babababoo, babababoo

Babababoo, babababoo, babababoo

If I could sing like Bing

How happy I I'd be

Babababoo, babababoo

Perhaps you would go for me

Babababoo, babababoo

(Now everyone agrees that Bing's fun to hear)

And if I don't do quite as well just make believe he's
near

(If he could sing like Bing)

For ever more you'd hear)

Babababoo, babababoo

Babababoo, babababoo

Babababoo, babababoo
