I was born in Texas

I was bred in Kansas

When I get married I'll be wed in Kansas

There's a true blue gal who promised she would wait

She's a sunflower from the Sunflower State

She's a sunflower, she's my sunflower

And I know we'll never part

She's my sunflower, she's my one flower

She's a flower of my heart

I was fair in Kansas, clouds are rare in Kansas

Never saw a place that could compare with Kansas

So I'm going home to keep a wedding date

With a sunflower from the Sunflower State

She's a sunflower, she's my sunflower

And I know we'll never part

She's a sunflower, she's my one flower

She's a flower of my heart
