Till then my darling please wait for me

Till then no matter when it will be

One day I know I'll be back again

Please wait till then

Our dreams will live though we are apart

Our love I know we'll keep in our heart

Till then, when all the world will be free

Please wait for me

Although there are oceans we must cross

And mountains that we must climb

I know every game must have a loss

So pray that our loss is nothing but time

Till then, let's dream of what there will be

Till then, we'll call on each memory

Till then, when I will hold you again

Please wait till then

Although there are oceans we must cross

And mountains that we must climb

I know every game must have a loss

So pray that our loss is nothing but time

Till then, let's dream of what there will be

Till then, we'll call on each memory

Till then, when I will hold you again

Please wait till then
