Way down yonder in New Orleans

In the land of the dreamy dreams

There's a garden of Eden that's what I mean

Creole babies with flashing eyes

Softly whispering with the tender sighs

Stop, won't you give your lady fair

A little smile

Yeah, stop, you bet your life you'll linger there

A little while

Well there is heaven right here on earth with those
beautiful queens

Way down yonder in New Orleans

Way down yonder in New Orleans

In the land of the dreamy dreams

There's a garden of Eden that's what I mean

Creole babies with flashing eyes

Softly whispering with the tender sighs

Stop, won't you give your lady fair

A little smile

Yeah, stop, you bet your life you'll linger there

A little while

Well there is heaven right here on earth with those
beautiful queens

Way down yonder in New Orleans
