Where are you now that I need you
Now that I want you so badly I could cry
Where are you where did fate lead you
Funny how I dreamed you'd still be standing by
I had you at my beck and call
I called you any time at all
I guess it took too much for granted
I never thought I'd lie awake and sigh
Where are you now that I need you
Now that I love you so madly I could die
I had you at my beck and call
I called you any time at all
I guess it took too much for granted
I never thought I'd lie awake and sigh
Where are you now that I need you
Now that I love you so madly I could die
