She's the kinda girl that turns a breath into a gag  
She blows me away kicks me up in the morning  
Her kinda of loving turns the greatest fuck into a drag  
But heres the real work of art  
She gives me kiss and caress and a smack with a  
frying-pan  
Wam bam spit teeth enjoy the fun  
Love me, then leave, me then love me again  
I'm still standing i'm addicted to the pain  
Oh, goodness, gracious, vicious  
Ill be chopped and thrown to the fishes  
I hope the fish don't find me delicious  
Cause now my baby's come back  
Waho! waho!  
Cause now my baby's come back  
Waho! waho!  
I've gotten used to sit down and watch tv  
But now her flashy little tush wants to be my  
widescreen  
She's back, waho, waho!  
Let's go!  
I always hoped for this kinda woman to come my way  
The one who could shake me with the tip of her finger  
I'm shaken like a sissy in a hockey game  
Ain't got the looks of a rock'n'roll singer  
I'm all ripped up and I love it  
I'm smashed to pieces and I love it  
Love me then leave me then love me again  
I'm still standing I'm addicted to the pain  
Shes giving me a big fat lip  
And when she's on that lippy-trip  
I wanna go back to the fingertip  
Cause now my baby's come back  
Waho! waho!  
Cause now my baby's come back  
Waho! waho!  
I'm so used to sit down and watch tv  
But now her flashy little tush wants to be my  
widescreen  
She's back, waho, waho!  
And a one and a two  
Now my baby's come back

Now my baby's come back  
I'm gonna find them fish, delicious x3  
Now my baby's come back  
Waho! waho!  
Cause now my baby's come back  
Waho! waho!  
I've gotten used to sit down and watch tv  
But now her flashy little tush wants to be my  
widescreen  
She's back, waho, waho!  
Cause now my baby's come back  
Waho, waho  
She's come baaaaaack  
Cause now my baby's come baaaaaack  
She's come back,back,back,back,back  
Waho, waho!
