They are rocknroll rebels with tea in their bourbon  
bottles  
All tightly dressed up in leather and shades  
And they're cute streamlined boys with diamonds in  
their eye sockets  
Wanna wear a guitar and be rough cause it's in  
nowadays  
Enough!  
Im not like the others  
I just can't be bothered  
I wont think the way they do  
I won't think the way they do  
Im not at all moldable, anti-controllable  
I wont think the way they do  
They want to conquer the world with nothing but a  
flashy tattoo  
And Im a bit surprised that so few see through what  
they're trying to do  
Cause they all went shopping in the rock star store  
A copy of the big thing the week before  
They get a hit then they make one more  
Repeat the formula and make me bored  
Enough!  
Im not like the others  
I just can't be bothered  
I wont think the way they do  
I won't think the way they do  
Im not at all moldable, anti-controllable  
I wont think the way they do  
I won't think the way they do  
Just won't think the way they do  
A feeble attempt  
But no-one else seems to ask why  
Things still haven't changed  
And no-one seems to give it a try  
Im not like the others  
I wont think the way they do  
I wont think the way they do  
Im not at all moldable, anti-controllable  
I wont think the way they do  
I won't think the way they do  
I won't think the way they do (anti-controllable)

I won't think the way they do (not at all moldable) x2  
I won't think the way they do (anti)
