Between the lines and between the sound  
I walk gravely with my head down  
there's so much I'd like to say  
but myself gets in my way

I would have killed just to get somewhere  
just to dream to get out of here  
and though I know just who's to blame  
I can't even speak my lousy name

I'm paralysed  
I'm gagged and bound  
no way to rid me of  
this scapegoat of mine  
I try to scream  
but I can't make a sound  
I'm missing in stereo

I had the lines but I've lost them  
and when I tried to get them back again  
every word was like a fly  
impossible to catch  
as they vanished in the sky

I'm paralysed  
I'm gagged and bound  
no way to rid me of  
this scapegoat of mine  
I try to scream  
but I can't make a sound  
I'm missing in stereo

(missing in stereo)  
Missing in stereo x2

I'm deaf, dumb and blind  
like half of me wanted  
can't get help  
if it was what I wanted  
I'm both of me,  
and I just want to be one

I'm paralysed  
I'm gagged and bound  
no way to rid me of  
this scapegoat of mine  
I try to scream  
but I can't make a sound  
I'm missing in stereo x2

(missing in stereo)  
Missing in stereo x3
