Iâ€™ve always been sceptical of people praising their
conformity
guys taking great pride in being like the others
like their mothers-in-law wanted

Does my tie fit alright?
Is my fly up and tight?

Stay as you are and you wonâ€™t make a difference
stay as you are and you will never mean a thing
stay as you are and you won't make a difference
I hope your full control in your little hole is worth it

Iâ€™ve never thought that to reach the masses
you stick your tongue up in the right asses
but thatâ€™s the system that works in here
you make yourself appear electable

Iâ€™ll just play whatever your game
you go first Iâ€™ll do the same

Stay as you are and you wonâ€™t make a difference
stay as you are and you will never mean a thing
stay as you are and you won't make a difference
I hope your full control in your little hole is worth it
Is it worth it?

wooooh x4

You brag about being an autonomous man in an
autonomous land
of independence and free thinking,
but itâ€™s been five years pm
and youâ€™re still nothing but a lackey,
a puppet on a string

Iâ€™ll look great when the war is over
Iâ€™ll be waving from my rover

Stay as you are and you wonâ€™t make a difference
stay as you are and you will never mean a thing
stay as you are and you won't make a difference

I hope your full control in your little hole is worth it

I hope your full control in your little hole is worth it x3
