"And She's Mine"

Hey, there ain't a bit of truth
In anything that you've heard about her
She's good, she's sweet, she's kind,
And she's mine

And when we're walking down the street
I feel so proud when she's with me
She's good, she's sweet, she's kind,
And she's mine

Maybe she's changed her ways
From what they used to be
She gives me everything
'Cause she belongs to me

Hey, there ain't another girl in this world
That comes close to her
She's good, she's sweet, she's kind,
And she's mine

(French horn solo)

Could it be she's changed her ways
From what they used to be?
She gives me everything
'Cause she belongs to me

Hey, there ain't another girl in the whole wide world
That comes close to her
She's good, she's sweet, she's kind
And she's mine
She's good, she's sweet, she's kind
And she's mine
She's good, she's sweet, she's kind
And she's all mine
