Hey girl,
I'll do anything you say,
'Cause you got a smile like a pocketful of diamonds,
You got lips,
I wish that they would ask me to stay here.
Huh-huh,
Uh-huh-huh, ooh mama, uh-huh-huh.

Hey girl,
I'll do anything you choose,
'Cause I read your eyes like a story in the newspaper.
Say the word,
I think you'll find me willing to stay here.

Uh-huh-huh, ooh mama, uh-huh-huh

It's the same old story,
Gotta catch 'em on the fly,
And leave 'em when you want to.

My old alibi,
Is thinking love is getting high,
With anyone you want to.

Hey, ain't it funny when the evening goes by,
And you don't know if you're going to...

Hey girl hey,
Why don't you take a chance?
You sure sound silly when you talk about romance,
But, late at night, I think that it might really be the
answer!

Uh-huh-huh, ooh mama, uh-huh-huh

It's the same old story,
Gotta catch 'em on the fly,
And leave 'em when you want to.

My old alibi,
Is thinking love is getting high,

With anyone you want to.

Hey, ain't it funny when the evening goes by,
And you don't know if you're going to...

Hey girl, take yours any way you want,
But I'll take two lumps,
A doughnut and a cookie.
Oh, and would you ask me to stay here?

Uh-huh-huh, ooh mama, uh-huh-huh,
Uh-huh-huh, ooh mama, uh-huh-huh,
Uh-huh-huh, ooh mama, uh-huh-huh.
