I checked the time, it was almost time
A curious smell, an intangible crime
I'm washing my clothes, but the stain still grows
Cover your eyes, the stain still shows

I feel the gaze against my skin
I feel the gaze against my skin
I know this feeling is a lie
I know this feeling is a lie

There's a guilt within my mind
There's a guilt within my mind
I know this feeling is a lie
I know this feeling is a lie

I don't need this pressure on
I don't need this pressure on
I don't need this pressure on

I don't need this pressure on
I don't need this pressure on
I don't need this pressure on

Oh I should question not ignore
Oh I should question not ignore
Songs are always buried deep
Songs are always buried deep

There's a lion in my arms
There is a motion in my arm
Oh I should question not ignore
I should believe and not ignore

I don't need this pressure on
I don't need this pressure on
I don't need this pressure on
