He put so much into her life  
She took so much out of his  
It was a crucial assignment  
No one ever asked for this

It was a little confusin'  
He thought, he knew what to do  
But now they're walkin' in silence  
Little girl and soldier blue

Well, she wrote you a song, sayin' that she approved  
But you didn't understand  
And when love comes along, it's just a catcher in the  
rye  
It's hard to make those long term plans

Well, it's the code of love  
You don't understand her  
Well, it's the code of love  
You could never ask for more  
You could never ask for more

They made a certain agreement  
He's bound to do what he's told  
He ran back home with the message  
Screwed up in a pocket cold

She sat at home with her reason  
A sour note and a tear  
But love comes home for the season  
Breakin' down the walls of fears

Well, she wrote you a song sayin' that she approved  
But you didn't understand  
And when love comes along, it's just a catcher in the  
rye  
It's hard to make those long term plans

Well, it's the code of love  
You don't understand her  
Well, it's the code of love  
You could never ask for more

You could never ask for more

Well, it's the code of love  
You don't understand her  
Well, it's the code of love  
You don't understand her

Code of love  
Code of love  
Code of love
