I don't get it, oh what the hell is
All the things they say?
In the papers about the capers
Went on yesterday

You hear it again
From another friend

Then here I am, trying how I can
In the middle of it all
So confused, now about the news, now
Will it help me at all?

I see no change
I'm just the same

Lost in this place, just one more face
Guess I'll never be found
Where do I go? Which way do I flow?
Oh, I'm falling around

They say "Boy, you've had your time to
choose
Come on now, you've had no time to lose"

Is this the way out so I can stay out
Or just another way in?
When I get there, oh, I betcha
It's where I've been

I've had enough
Of getting rough

Then here I am, trying how I can
In the middle of it all
So confused now about the news, now
Will it help me at all?

I've seen no change
I'm just the same, hey

Lost in this place, just one more face

Guess I'll never be found
Where do I go? Which way do I flow?
Oh, I'm falling around

They say "Boy, you've had your time to
choose
Come on now, you've got no time to lose"

Oh, I don't get it, oh what the hell is
All the things they say
In the papers about the capers
Went on yesterday
