Paint me down
Paint me down
Paint me down

I'm walking into studio
Consider strange appeal
Paint me in the home
I'm brushing up on sketchbook
Designs for love, unreal
Paint me in the home

Oil and skin, you'll need to buy it
Consider what I mean
She sinks beneath the moving pictures
Prepare the brush for me
I'm craving with this need

Paint me down
Paint me down
Paint me down

I'm soaking up the surface
Conceiving new idea
Paint me in the home
She's oiling up her subject
But all still life is here
paint me in the home

All the boys with framed dimension
A cover up on lust
He'll take his pain and paint it over
Prepare the brush for me
I'm craving with this need

Paint me down
Paint me down
Paint me down
