"She Loved Like Diamond"

She ran the risk from unity
Obsession dies alone with tragedy
She loved like diamond
She loved like diamond
And cut so hard, she died

A passion course that leads to pain
An acid taste that laced her soul again
She loved like diamond
She loved like diamond
And cut so hard, she died

Another path, I've run them all
The rain has cleared the stains, no trace at all
She loved like diamond
She loved like diamond
And cut so hard, she died

She loved like diamond
She loved like diamond
And cut so hard, she died
