I could tell you a fairytale,
Hold your hand oh so small and frail,
But these lies are to no avail
In these blues
I could give you security,
Protect your eyes from what you see,
But I can't give you a guarantee,
Win or loose
Just trust in my love now baby,
I'll show you what's wrong,
Oh this is all I can give you baby,
So sing this song, sing it, sing it
Oh, we are virgin,
Just as bright as the blinding snow
Oh, we are virgin
And we just don't wanna let go,
We are virgin
Your skin is new and your eyes are wide,
Don't let that evil get inside,
I know it's hard to run and hide,
In these times
So hold your face to the sun today,
I'll take your hand and we'll walk away,
Show them all you don't have to pay
For these crimes
Just trust in my love now baby,

I'll show you what's wrong,
Oh this is all I can give you baby,
So sing this song, sing it, sing it
Oh, we are virgin,
Just as bright as the blinding snow
Oh, we are virgin
And we just don't wanna let go
And so if you go away,
I'll keep the fire burning,
Keep the fire burning all night
All through the wind and the rain
I'll keep the fire burning,
Keep the fire burning
Just trust in my love now baby,
I'll show you what's wrong,

Oh this is all I can give you baby,
So sing this song, sing it, sing it
Oh, we are virgin,
Just as bright as the blinding snow
Oh, we are virgin
And we just don't wanna let go,
We are virgin
