Well you said you loved me and I started laughing.
You told me that you need me, but I kept on laughing.
You vowed that you wanted me, but I was still laughing
at you.

I learned to love you and you started laughing.
I told you that I needed you, but you kept on laughing.
I found that I wanted you, now everyone is laughing at
me.

Laugh and the world laughs with you, cry and you cry
alone.
I hear the whole world laughing and I'm sitting here all
alone.

How could you be so cruel? But OK keep on laughing.
They know that I've been one big fool, now everyone is
laughing.
Next time I'll play it cool and they'll not be laughing at
me.

(Music interlude)

How could you be so cruel? But OK keep on laughing.
They know that I am one big fool, now everyone is
laughing.
Next time I'll play it cool and they'll not be laughing at
