Sitting here with a blank stare  
Wondering what has happened  
To all the things I used to hold so dear  
This town does a great job  
Of making you feel small  
Sometimes it doesn't feel like a home at all

I don't know what keeps me going anymore  
And now I'm at a loss for words

I don't know if you can call living  
We work all day just to barely make it by  
You can try, try, try  
Try all you want  
But we will always fall so short yeah

And I don't know what keeps me going anymore  
There must be something that I'm missing  
Is it you?  
There is nothing left here for me anymore  
And now I'm at a loss for words
