"You Are Not Alone"

Some days you feel as if you've got nothing left
To lose. Some days you feel as if you are all
Alone. But you have to hold strong. To what you
Love most. It's up to you! To make the changes
That you want to see in the world. It's up to you!
To take control, it's up to you... to start something
New. Every day we turn our cheeks. As
Bodies burn and bombs drop far away. What
Will it take to get us moving? When the time
Comes it will be too late. It's up to you! To see
Through their propaganda & false media. It's up
To you! To see through their deceitful political
Agendas. We are not faceless! We are not
Alone! Through this music we stand together,
Through this music we stay alive. We are not
Hopeless! But we must stay strong, we all have a
Purpose; we all have our own song! It's up to
You to take a stand or watch it all burn!
