Hey, there ain't a bit of truth  
In anything that you've heard about her  
She's good, she's sweet, she's kind,  
And she's mine

And when we're walking down the street  
I feel so proud when she's with me  
She's good, she's sweet, she's kind,  
And she's mine

Maybe she's changed her ways  
From what they used to be  
She gives me everything  
'Cause she belongs to me

Hey, there ain't another girl in this world  
That comes close to her  
She's good, she's sweet, she's kind,  
And she's mine

(French horn solo)

Could it be she's changed her ways  
From what they used to be?  
She gives me everything  
'Cause she belongs to me

Hey, there ain't another girl in the whole wide world  
That comes close to her  
She's good, she's sweet, she's kind  
And she's mine  
She's good, she's sweet, she's kind  
And she's mine  
She's good, she's sweet, she's kind  
And she's all mine
