I've been taking all my time - just for you

But you're hidin'  
always fightin'.  
I've been workin' day and night - just for you

You're ignoring  
you say I'm boring too.  
Check it on out  
here is something new.

Just for you - I changed my way of living

Just for you - I waited oh so long

Just for you - no gettin'  
only givin'

Just for you - I sing out this song.

You've been takin' all my time - just for you

You just steel it  
I can't deal with you.  
One way traffic ain't a way - just for you

I've got affection  
some attraction too.  
Check it on out  
this ain't something new.

Just for you - I changed my way of living

...

Now it's showtime and all that you've givin'  
Is staring gazing faces.  
Come on and show your love

Ooh baby. Now's the time y'all.  
Let's celebrate  
don't be late

We're gonna have some fun.  
It's happiness we're dreamin' of.

We've been givin' all our time - just for you

Always singin'  
all we're bringin'.  
Now give us something in return - just for you

We've been starvin' - now we're chargin' you.  
Check it on out  
is this something new?

Just for you - I changed my way of living

...

Just for you - I changed my way of living
