It's a one night affair
can you feel it?
Is it love that we share
can you feel it?
It's a one night affair
can you feel it?
Is it love that we share
can you feel it?
You say yes
I say no
what am I supposed to do?
You say do and I say don't
it's a game but just as true.
Padapapapa
I can read it in your eyes.
No
no
no need to hide -
Padapapapa
we don't need no alibis

No
no
no
not tonight.

I live my life the way I think my life should be.
Time is running out
let it be free
fancy free.
It's a one night affair
can you feel it? . . .
We can stay
we can go
we can let it all hang out.
All we feel and all we know
it ain't worth a single doubt.
Padapapapa
I can read it in your eyes . . .
I can't hold on to all that fake sincerity
If we feel that this is right then let it flow
naturally.

It's a one night affair
can you feel it? . . .
Can you feel it
one night affair -
Can you feel it
love that we share.
Can you feel it
one night affair -
Can you feel it
love that we share.
It's a one night affair
can you feel it?
