Baby, can't you see I want to talk it over?
Baby, you and me, we'll find a four leaf clover
Baby, can't see you I want to talk it over?
Baby, you and me, we'll find a four leaf clover soon

Walkin' through the rain, feelin' so much better
Wash away the pain, tryin' to forget her 'cause you
know what she said?
Baby, can't you see, we're not good for each other?
Baby, you and me can't play mother and father
I just can't be free when you're sayin', "What's the
matter?"
Baby, you and me, we just cannot be together

Baby, can't you see I want to talk it over?
Baby, you and me, we'll find a four leaf clover
Baby, can't see you I wanna talk it over?
Baby, you and me, we'll find a four leaf clover soon

Walkin' through the rain, feelin' that I miss him
(I knew you'd gonna miss me)
I've got a lot of pain 'cause I can't be with him
(But you can be with me, oh yeah)
One day you will see, you got to show your emotions
Give your heart to me, we'll love each other with
devotion, yeah
Baby, now I see (Now you see), we are birds of feather
Baby, you and me, we just got to be together

Baby, can't you see I want to talk it over?
Baby, you and me, we'll find a four leaf clover
Baby, can't see you I want to talk it over?
Baby, you and me, we'll find a four leaf clover soon

Baby, now we see, we were meant for each other
Baby, you and me can play mother and father
Baby, now we see, we were meant for each other
Baby, you and me can you play mother and father
Baby, now we see (Now we see), you and me (You and
me)
(Now we see) And now we see, we were meant for each
other

Ooh, you and me can play mother and father
(Now we see) Now, now, now we see, you, you, you and
me, now
(You and me) Now, now, now we see, now, you, you,
you, you and me
(Now we see) Together again
(You and me)
(Now we see)
(You and me) I'm so mad, I'm so mad, I'm so mad
about you, yeah
(Now we see) We're together baby, I wanna be with you
all my life
(You and me) I'm so mad, I'm so mad, I'm so mad
about you, yeah
(Now we see) Together, when together, when together
(You and me) When together
