The Friday evening question's asked
Not in the club!
I could drink a whole whiskey cask
In the pub!
We'll make love at least everyday
But when you pop a bottle
I could marry you today.
Some of them need a sweet romance, romantic love
But mine is sitting on the fence
Between nice sweet babe, and (TOUGH GIRL).

Pa-pa-la-la-la
I d'ont wanna sleep with my baby!
I wanna drink with my lady,
(DRINK, DRINK) with my lady.

We're out tonight,
She's running wild in time
The chicks down there
Should laugh with care
She loves to dance, she loves to (FIGHT).
Put me in trance, and do the fight!

Pa-pa-la-la-la
I d'ont wanna sleep with my baby!
I wanna drink with my lady,
(DRINK, DRINK) with my lady.

Lady you've got a lot of power you know,
And you make me feel like, oooh make me feel like:
YEAH!

Pa-pa-la-la-la
I d'ont wanna sleep with my baby!
I wanna drink with my lady,
(DRINK, DRINK) with my lady.
