Artist : Spark Gap

Album : The Boys From Alaska

Song : The Story You Can Never Tell

Committed to die,
I said committed to these,
To these drugs all my life,
I thought I can't stop the train,
And I can hear them.
And I can hear them coming, ten billion,
Ten billion, ten billion,
Ten billion smothered cries.

Now for once I'll say "no", won't be so
predicable.
For once I won't be weak.
Now for once I'll pick up the phone, ooh.
And call for help, the nightmare's over.

Oh hell I'm breaking down.
My home will be the death of me.
I can't stand him in the end.
Don't go (don't) home tonight (go),
No (home) here's there (there), to shut you down,
(This) he's there, (time) he's there but (you), this time
you'll take it
Over.

Now for once I'll say "no", won't be so
predicable.
For once I won't be weak.
Now for once I'll pick up the phone, ooh.
And call for help, the nightmare's over.

Big big boys put the pressure on me again.
Teenagers but twenty five still with the same aim.
Run, run, run (for) your life (your life),
Ten billion (smothered cries).

Ten billion...

Now for once I'll say «no», won't be so
predicatable.
For once I won't be weak.
Now for once I'll pick up the phone, ooh.
And call for help, the nightmare's over.
