"About A Quarter To Nine"

The stars are gonna twinkle and shine
This evening about a quarter to nine
My loving arms are gonna tenderly twine twee, twee
twine
Around you, around a quarter to nine

I know, I won't be late 'cause at half past eight
I'm gonna hurry there
I'll be waiting where the lane begins
Waiting for you on needles and pins

And then the world is gonna be mine, oh, all mine
This evening about a quarter to nine

Then the world is gonna be mine
This evening about a quarter to nine
