

## Dean Martin "Any Time"

Any time you're feelin' lonely  
Any time you're feelin' blue  
(You're feelin' blue)  
Any time you feel downhearted  
That'll prove your love for me is true

Any time you're thinkin' about me  
That's the time I'll be thinkin' of you  
(Thinkin' of you)  
So, any time you say you want me right back again  
That is the time I'll come back home to you

(Any time you're feelin' lonely)  
(That's any time you're feelin' blue)  
Any time you feel downhearted  
That'll prove your love for me is true

Oh, any time you're thinkin' about me  
That's the time I'll be thinkin' of you  
So, any time you say you're wantin' me back again

That's the time  
(Any time)  
That's the time  
(That's any time)

Yeah, that's the time  
(That's any time)  
I'll come back home to you  
(Home to you, home to you)
