(Herbert Lawson)

Anytime you're feeling lonely
Anytime you're feeling blue
Anytime you feel down hearted
That'll prove your love for me is true.

Anytime you're thinking 'bout me
That's the time I will think of you
So anytime you say you want me back again
That's the time I'll come back home to you.

(Anytime you're feeling lonely
Anytime you're feeling blue)
Anytime you feel down hearted
That'll prove your love for me is true

Oh, anytime you're thinking 'bout me
That's the time I will think of you
So anytime you say you want me back again
That's the time, that's the time
Yes, that's the time I'll come back home to you...
