Besame, besame mucho  
Each time I cling to your kiss  
I hear music divine

Besame, besame mucho  
Hold me my darling  
And say that you'll always be mine

This joy is something new my arms enfolding you  
Never knew this thrill before  
Whoever thought I'd be holding you close to me  
Whispering, "It's you I adore"

Dearest one, if you should leave me  
Each little dream would take wings  
And my life would be through

Besame, besame mucho  
Love me forever  
And make all my dreams come true

Besame, besame mucho  
Love me forever  
And make all my dreams come true
