(Herb Newman)

Let me tell you 'bout the birds the bees
And the flowers and the trees
And the moon up above
And a thing called love.

Let me tell you 'bout the stars in the sky
A girl and a guy
And the way they could kiss
On a night like this.

When I look into your big brown eyes
It's so very plain to see
That it's time you learned about the facts of life
Startin' from A to Z.

Let me tell you 'bout the birds and the bees
The flowers and the trees
The moon up above
And a thing called love.
