(Lorenz Hart - Richard Rodgers)

Blue moon you saw me standing alone
Without a dream in my heart without a love of my own
Blue moon you knew just what I was there for
You heard me saying a prayer for someone I really
could care for.

And then there suddenly appeared before me
The only one my arms could ever hold
I heard somebody whisper please adore me
When I looked to the moon it turned to gold.

Blue Moon now I'm no longer alone
Without a dream in my heart without a love of my own.

And then there suddenly appeared before me
The only one my arms will ever hold
I heard somebody whisper please adore me
And when I looked the moon had turned to gold.

Blue Moon now I'm no longer alone
Without a dream in my heart without a love of my own.

Without a love of my own, without a love of my own...
