(Ben Peters)

I think of all the things I promised you  
There's still so many things I didn't do  
I know it hasn't been the way that you expected it to be  
But I need you girl don't give up on me.

It never crossed my mind what you go through  
For giving me each time for hurting you  
I guess a foolish man just takes for granted that's how  
it should be  
But I need you girl don't give up on me.

You make up for all the bad in me with all the good in  
you  
All the wrong I've ever had in me can't match the good  
in you  
So maybe given time I'll come around to what I oughta  
be  
But I need you girl don't give up on me.

So maybe given time I'll come around to what I oughta  
be  
But I need you girl don't give up on me...
