(Johnny Mercer - Ruby Bloom)

Fools rush in where angels fear to thread  
And so I come to you my love my heart above my head  
Though I see the danger there  
If there's a chance for me then I don't care.

Fools rush in where wise men never go  
But wise men never fall in love so how are they to know  
When we met I felt my life began  
So open up your heart and let this fool rush in.

--- Instrumental ---

When we met I felt my life began  
So open up your heart and let this fool rush in...
