Goodbye, old friend, this is the end
Of a man I used to be
'Cause there's been a strange
And welcome change in me

For once in my life I have someone who needs me
Someone I've needed so long
For once unafraid I can go where life leads me
Somehow I know I'll be strong

For once I can touch what my heart used to dream of
Long before I knew
Someone warm like you
Would make my dreams come true

Oh, for once in my life I won't let sorrow hurt me
Not like it's hurt me before
For once I have something I know won't desert me
I'm not alone anymore

For once I can say this is mine, you can't take it
Long as I know I have love, I can make it
For once in my life
I have someone who needs me

For once in my life I won't let sorrow hurt me
Not like it's hurt me before
For once I have something I know won't desert me
I'm not alone anymore

For once I can say this is mine, you can't take it
Long as I know I have love, I can make it
For once in my life
I have someone who needs me
