From the bottom of my heart, Dear  
I love you  
Even though you broke my heart  
I still love you  
What more can I say  
Since you went away  
I just couldn't hide my pride  
Truly dear, oh how I cried

From the bottom of my heart, Dear  
I miss you  
I would give my very soul  
Just to kiss you  
Please come back to me  
Hold me tenderly  
Take me in your heart again  
Be mine my love, forever

Dammi, dammi, dammi tanto amore  
Fammi, fammi, fammi questo favore  
Dolce come tu Ã¨ la gioventÃ¹  
Primavera sei per me  
Vieni su fammi saper  
Dammi, dammi solo un pÃ² di speranza  
Un bacin da te per me Ã¨ bastanza  
Ma se nel tuo cor' puoi trovar ancor  
Un pÃ² piu d'amor, amor,  
Be mine, my love forever.  
(From the bottom of my heart)
