Good morning life  
Good morning sun  
How are your skies above  
Gee, it's great to be alive and in love.

Good morning life  
Good morning birds  
Sing out your happy tunes  
Feels so good because I'll be seeing her soon.

Last night she said she loved me  
What a pity to part  
I slept with both eyes open  
Waiting for today to start.

Good morning life  
Good morning world  
How are you happiness.

All at once  
I know what livin' can be  
It's life, it's free,  
It's someone waiting for me.

Who'll someday be my wife,  
good morning life.  
Good morning life.  
Good morning life.

Last night she said she loved me  
What a pity to part  
I slept with both eyes open  
Waiting for today to start.

Good morning life  
Good morning world  
How are you happiness  
All at once I know what livin' can be.

Ah it's life, it's free  
It's someone waiting for me

Who'll someday be my wife  
Good morning life...
