Have a heart
(Have a heart)
Have a heart
(Have a heart)
Let me warn you before we start

My love's no plaything
No throw away thing
So have a heart
(Have a heart, have a heart, have a heart)

When I swear
(When I swear)
How I care
(How I care)
I'm not foolin? so please be fair

If you were lyin'
I'd end up cryin'
So have a heart
(Have a heart, have a heart)

Darlin?, it's the very first time
I've ever been in love, you see
This would be the very worst time
For you to take advantage of me

So I plead
(So I plead)
Please take heed
(Please take heed)
Of the treatment my heart'll need

If you should break it
I couldn't take it
So have a heart
(Have a heart, have a heart)

(Darlin?, it's the very first time)
I've ever been in love before
(This would be the very worst time)
For you to take advantage of me

So I plead
(So I plead)
Please take heed
(Please take heed)
Of the treatment my heart'll need

If you should break it
I couldn't take it
So have a heart
(Have a heart, have a heart)
