I don't care if the sun don't shine  
I get my loving in the evening time when I'm  
With my baby  
It's no fun with the sun around  
But I get going when the sun goes down  
And I meet my baby

That's when we kiss and kiss and kiss and then we kiss  
some more  
Don't ask me how many times we kiss at a time like this  
Who keeps score

So I don't care if the sun don't shine  
I get my loving in the evening time  
When I'm with my baby

That's when we kiss and kiss and kiss and then we kiss  
some more  
Don't ask me how many times we kiss at a time like this  
Who keeps score  
So I don't care if the sun don't shine  
I get my loving in the evening time  
When I'm with my baby
