(Wella, wella, wella, wella, wella, ....)

Well the coffee's too weak  
Ant the steak is too strong  
And I got an idea  
I've been single too long, too long, too long  
Wella, wella, wella the coffee's too weak, steak is too  
strong  
Got an idea I been single too long  
I ain't gonna lead this life no more  
Sweet Jean  
I ain't gonna lead this life no more

Well I'm washing my shirts  
And mending my socks  
And the hotel bed  
Is stuffed with rocks, them rocks, them rocks  
Wella, wella, wella, I'm washing my shirts  
Mending my socks  
The hotel bed is stuffed with rocks  
I ain't gonna lead this life no more  
Sweet Jean  
I ain't gonna lead this life no more

Well a beautiful gal  
Makes a beautiful bride  
We'll be leaving that church  
Marching side by side by side by side  
Wella wella wella beautiful gal  
Beautiful bride  
Leaving that church side by side  
I ain't gonna lead this life no more, Sweet Jean  
Ain't gonna lead this life no more
