(I can't help it if I'm still in love with you)
Today I passed you on the street
And my heart fell at your feet
I can't help it if I'm still in love with you

Somebody else stood by your side
And he looked so satisfied
I can't help it if I'm still in love with you

(Still in love with you)
A picture from the past came slowly stealing
(Slowly stealing)
As I brushed your arm and walked so close to you
(So close to you)

When suddenly I got that old time feeling
(Old time feeling)
I can't help it if I'm still in love with you
I can't help it if I'm still in love with you

It's hard to know when others' lips will kiss you
And hold you just the way I used to do

Oh, heaven only knows how much I miss you
(Knows I miss you)
I can't help it if I'm still in love with you
I can't help it if I'm still in love with you
(Love with you)
