(Arthur Freed - Gus Arnheim - Abe Lyman)

I cried for you now it's your turn to cry over me  
Every road has a turning that's one thing you're  
learning.

I cried for you oh what a fool I used to be  
Now I found two eyes just a little bit bluer  
And I found a heart just a little bit truer  
I cried for you now it's your turn to cry over me.

--- Instrumental ---

(I cried for you) what a fool I used to be  
Now I found two eyes just a little bit bluer  
And I found a heart oh just a little bit truer  
I cried for you now it's your turn to cry over me...
