They label Vitamin D  
If you like Vitamin D  
It's quite alright with me  
But I am here to say  
That I like vitamin love  
But I can't get vitamin love  
With that doggone sun above...

I don't care if the sun don't shine  
I get my lovin' in the evening time  
When I'm with my baby

It's no fun with the sun around  
But I get going when the sun goes down  
And I meet my baby

That's when we kiss and kiss and kiss  
And then we kiss some more  
Don't ask how many times we kiss  
At a time like this, who keeps score?

So I don't care if the sun don't shine  
I get my lovin' in the evening time  
When I'm with my baby

That's when we kiss and kiss and kiss  
And then we kiss some more  
Don't ask how many times we kiss  
At a time like this, who keeps score?

So I don't care if the sun don't shine  
I get my lovin' in the evening time  
When I'm with my baby
